

RIDLEY

Windows & Doors Inc.

Ridley Windows and Doors now offers an authentic replication option for historic steel windows

Heavy Commercial
Steel Replica
Wood Replica

*Our new steel window replication option
has already been specified on multiple
heritage projects in Toronto.*

Details

Specially designed for the narrow sightline needs of historic projects.

Multiple grid options to create Simulated Divided Lite (SDL), exterior, between glass and SDL interior.

Utilizes complete Thermal Break vent and master frame for optimal insulating.

Cost effective: Installed at fraction of the cost to refurbish or replace with new steel windows.

Available with energy efficient double or triple LoE glass resulting in desired u values and meeting solar heat gain requirements.

Available in multiple colours with the top rated 2605 AAMA coating.

Windows tested to meet or exceed all OBC standards.

Professional install by Ridley Windows & Doors trained field technicians.

*Cost effective solution -
installed at fraction of the
cost to refurbish or replace
with new steel windows*

Performance

AAMA/WDMA/CSA101/152/A440
