With a deep appreciation for quality and performance Ridley Windows & Doors is the perfect solution for residential, commercial and historical projects.

HISTORICAL REPLACEMENT

PROUD TO ANNOUNCE

Historical landmark and community gathering place the Simmons Building is Ridley's latest Heritage Feature Project.

Ridley Windows & Doors perfectly replicated the original features of this historic landmark – down to the finest detail. The Simmons Building features wood casement windows with transoms on top. This design maintains the original character of the building while providing superior product performance.

With over 260 colours to choose from and Ridley Windows & Doors industry leading 15-year warranty on the paint finish, the Simmons Building will be a proud Calgary landmark for decades to come.

Ridley Windows & Doors is honoured to have been selected for this project!
